**VII. S-SV DRAFT POLICIES/PROTOCOLS**

**A. FOR FINAL REVIEW/APPROVAL**

1. **C-1 – *Pulseless Arrest*** – Changes discussed during the last meeting were incorporated and presented to the committee: *clarification on manual defibrillation detail; added language regarding consideration of terminating resuscitative efforts if no ROSC.* Additional suggested changes from this meeting were as follows:
  - (a) Bottom box on the right – Delete ‘All criteria must be met’ from both BLS and ALS bulleted items;
  - (b) Bottom box on the right – Split the box into two boxes. Change ‘Direct Base Physician Order Only’ to ‘Terminating Resuscitative Efforts’ and this will be the first box on top of ‘Definitions’ and ‘Reversible Causes’.

Rob Martin motioned to approve with the changes. Clayton Thomas seconded. Motion passed.
2. **C-5 – *Return of Spontaneous Circulation (ROSC)*** – Changes from the last meeting were incorporated and presented to the committee: *addition of base/ modified base contact required prior to administration of amiodarone after ROSC.* There were no additional changes made. Rob Martin motioned to approve. Joe Morris seconded. Motion passed.
3. **C-6 – *Tachycardia With Pulses*** – Changes from the last meeting were incorporated and presented to the committee: *added the word “include” at the end of the first bullet point sentence in the top information box; updated language and algorithm flow for stable tachycardia patients, added the word “consider” in the adenosine treatment box.* Additional suggested change was to remove “May repeat sedation x 1 after 2 minutes’ from the box ‘Consider pre-cardioversion sedation...’ Rob Martin motioned to approve with the change. Dave Duncan seconded. Motion passed.
4. **C-7 – *Bradycardia*** – Changes from the last meeting were incorporated and presented to the committee: *added the word “Symptomatic” at the beginning of the first bullet point sentence and added the word “include” at the end of the second bullet point sentence in the top information box.* Dave Duncan motioned to change “May repeat sedation x1 after 5 minutes” from the box “\*\*Transcutaneous Cardiac Pacing...” Rob Martin seconded. Motion passed

5. **860 – Trauma Triage Criteria** – Changes from the last meeting were incorporated and presented to the committee: *updated language regarding trauma triage criteria and trauma patient destination*. Additional suggested changes were:
  - (a) delete Addendum 860-A;
  - (b) page 5 of 6, line 27 – change “and” to “or”
  - (c) page 2 of 6, change definition of Level II Trauma Center to “A Level II Trauma Center offers similar resources as a Level 1 facility differing only by research activities for a Level I designation”
  - (d) add ‘Other high energy impact’ as item 6 under Mechanism of Injury Criteria.

Rob Martin motioned to approve with the changes. Dave Duncan seconded. Motion passed.

6. **P-1 – General Pediatric Protocol** – Changes from the last meeting were incorporated and presented to the committee: *eliminated pediatric trauma destination information from this policy – moved to Trauma Triage Criteria Policy #860*. Rob Martin motioned to approve. Frank Crawford seconded. Motion passed.

#### B. FOR INITIAL REVIEW

1. **415 – 9-1-1 Ambulance Response Time Criteria** – Recommended change refers to the language for low call volume areas. This will return next month for discussion.
