**Program Description:** Disasters strike all over the globe. California is no exception. This is designed for hospital, EMS, Fire, Law Enforcement and Public Health personnel to provide education and practice on what we would do if we had to respond to a Multi-Casualty Incident (MCI) with a surge of patients injured due to a realistic threat scenario that may occur in our region. (NOTE: Refreshments will be provided)

### Course Objectives:

- Describe the MCI/START Triage method in the field and hospital environment
- Describe the MCI/START Triage Categories as defined in MCI/START Triage
- Describe how to perform MCI/START Triage
- Practice on the use of the Triage Tag, MCI/START Triage, Patient Management/Distribution/Tracking and Incident Command Form use in a Tabletop Exercise (TTX)
