2019 BAY AREA CARDIOVASCULAR CONFERENCE

Thursday, March 28, 2019

8:00 am - 4:00 pm

Registration Begins at 7:00 am

6.5 Continuing Education Credits Available

Register by 3/15 and Save with an Early Bird Rate

Crowne Plaza - Foster City Hotel | Foster City, CA

Program Purpose

This educational program will provide healthcare professionals with information on the latest scientific updates and guidelines, technology, and thought-provoking topics to improve patient care related to cardiovascular issues. The long-term effect of the workshop will be to help promote improvement in the quality of care, improve outcomes, and quality of life for all patients.

Target Audience

The target audience includes physicians, physician assistants, nurses, nurse practitioners, pharmacists, emergency medical services (EMS) personnel, and radiologic technologists. Subspecialties include cardiology, emergency medicine, telemetry, critical care, medical/surgical, intensive care, and rehabilitation.

CE Credits

6.50 continuing education credits available for physicians, physician assistants, nurses, nurse practitioners, and EMS personnel.

Course Learning Objectives

Attendees will be able to:

- Identify 2 barriers to ideal STEMI systems of care.
- Describe 2 possible system-wide solutions to improve patient outcomes.
- Identify 2 unique aspects of STEMI on ECGs.
- Describe 2 causes of chest pain in women.
- List 2 steps in the procedure for therapeutic hypothermia in STEMI patients.

Registration Fee

Early Bird Registration Fee: \$110.00

Registration Fee after 3/15: \$125.00

Continuing Education

In support of improving patient care, this activity has been planned and implemented by the American Heart Association. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

AMA Credit Designation Statement – Physicians

The American Heart Association designates this live activity for a maximum of 6.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAPA Credit Acceptance Statement – Physician Assistants

AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 6.50 hours of Category I credit for completing this program.

AANP Credit Acceptance Statement – Nurse Practitioners

American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME. **AMA Credit must be claimed within 6 months of attendance. Credit will no longer be available to claim after September 28, 2019.

ANCC Credit Designation Statement – Nurses

The maximum number of hours awarded for this CE activity is 6.50 contact hours. **ANCC Credit must be claimed within 6 months of attendance. CME/CE will no longer be available to claim after September 28, 2019.

Continuing Education Accreditation – Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE), for 6.50 Advanced CEHs, activity number 19-AMHA-F1-0013. By claiming CAPCE credit, the claimant acknowledges the following: I understand that the American Heart Association as a requirement of CAPCE accreditation will submit a record of my course completions to the CAPCE AMS. I further understand that my course completion records may be accessed by or shared with such regulators as state EMS offices, training officers, and NREMT on a password-protected, need-to-know basis. In addition, I understand that I may review my record of CAPCE-accredited course completions by contacting CAPCE. **CAPCE credit must be claimed within 6 months of attendance. CME/CE credit will no longer be available to claim for this activity after September 28, 2019
