MHOAC, S-SV EMS AGENCY & RDMHS CONTACT GUIDELINES

When to contact the Medical Health Operational Area Coordinator (MHOAC)?

- Local medical/health system providers should contact the MHOAC to provide situational awareness during an unusual event, defined as any incident that meets one or more of the following criteria:
 - Significantly impacts public health or safety (or is anticipated to do so).
 - Leads to disruption of the medical/health system (or is anticipated to do so).
 - Produces unusual or significant media attention.
 - Is politically sensitive.
 - Leads to an OA (County), Regional, or State request for information.
- Local medical/health system providers should contact the MHOAC to request medical/ health resources needed beyond the capabilities of the provider, and those available through the routine day-to-day mutual aid process, corporate relationships, pre-existing agreements, memoranda, or contracts.

How to contact the MHOAC?

- The MHOAC can be contacted through the local public safety emergency dispatch center by requesting the MHOAC or local Public Health Duty Officer.

When to contact the S-SV EMS Agency?

- EMS system participants and/or MHOACs should contact the S-SV EMS Agency to provide Situational Awareness during an unusual event (as described above).
- EMS system participants and/or MHOACs should contact the S-SV EMS Agency for EMS resource needs beyond the capabilities of the provider, or available through the routine day-to-day mutual aid process.
- EMS system participants and/or MHOACs should contact the S-SV EMS Agency for EMS personnel scope-of-practice, policy, protocol, or procedures questions/issues.
