

# STEMI Run Review

April 10, 2024

4:30 p.m. - 6:30 p.m

Mercy Medical Center Redding Boardroom and via [Zoom](#)

Please join us for an educational presentation on this very important subject by Dr. Nikita Gill, STEMI & Cath Lab Director. She and her team will be discussing:

- Overview of Takotsubo Cardiomyopathy
- 10 Malignant rhythms and how to identify them
- Overview of new products available
- Case review of real events

**Dignity Health Employees:** Please sign up via this [Link](#)\*

**Other Participants or for any questions:** Please contact Cindy Bergstrom, Manager of Emergency Preparedness at 530-225-7943 or [cynthia.bergstrom@commonspirit.org](mailto:cynthia.bergstrom@commonspirit.org).

This course is approved for continuing education credits for nurses and EMS providers. CEs may be printed from your completed transcript in Pathways for CommonSpirit Health employees. Provider approved by the California Board of Registered Nursing Provider Number CEP646 for 2 contact hours and EMS Provider #65-0574.
