

CALIFORNIA EMERGENCY MEDICAL SERVICES STATEWIDE FULL-SCALE EXERCISE

The California Emergency Medical Services Authority is conducting a full-scale emergency preparedness exercise at Mather Airport and is seeking California Medical Assistance Team (CAL-MAT) and Medical Reserve Corps (MRC) volunteer personnel, volunteer victim role players, and observers to support this critical training and exercise event. Your participation helps ensure communities across California are prepared when real emergencies occur. No prior experience required for the volunteer victim role players. Orientation and guidance will be provided.

WHO SHOULD PARTICIPATE

- Community volunteers to support victim role players June 5, 2026
- CAL-MAT, MRC, medical and non-medical professionals June 3 – 6, 2026
- Military, EMS, and RDMHCs professionals June 5, 2026
- Partner organizations ASPRs, MHOAC, and LEMSA professionals June 5, 2026
- Leadership and operational observers June 5, 2026

Volunteer Victim Role Players
